AUTUMN FASHION BOOST 2016

Autumn Fashion Booster

Sensing a crispness in the air? Autumn season is in full swing...

This issue is all about boosting up our autumn fashion wear to the next level and dressing up in warmer pieces of clothing. You can still look sophisticated and chic when bundling up in knitted sweaters, fashionable boots, trench coats, stylish scarves, fun hats, thicker leggings, cape coats, jackets and much more. Grab a colorful umbrella, hold on tight, and take control when fighting the autumn winds and fall showers.

Notes from the Editor

AUTUMN REBOOT

The start of a new season always urges women to reboot or renew their fashion wear.

Add a couple of new essentials for a new look this autumn.

Four 'must have' fall essentials that every woman should add to their wardrobes:

1. **Bobo chic Blouse** – with a little embellishment.

2. **Bomber Jacket** – in a vibrant color.

3. **Knee High Boots** – in an earthy brown

4. **Funky Handbag** – in fall colors.

BRAZA 5 WAY PLUNGE

3560

Another newcomer from Braza...

No need to change to a different bra for each outfit any more! The **5 Way Plunge**, is a big SOS fashion solution when fitting into any dress style.

One bra designed to wear in 5 ways offers you a wide range of dressing options from backless, basic, halter, low back, racerback, one strap or strapless.

Each package also contains 1 pair clear straps for see-through clothing and a clip to convert this bra into a racerback.

BRAZA BRA STRAP COMFORT

4100

Bra Strap Comfort to the rescue...

These soft silicone cushions provide the ultimate relief and comfort.

Place **Bra Strap Comfort** on your bra straps to protect your shoulders from the painful "tug". **Problem Solved!**

Did we say – cushions stay in place on the bra strap with no sliding or slipping? Gets rid of the loud "ouch!" sounds and turns into an "Ahh!, I feel so relieved now!"

TALK TO THE HEEL NON SKIDS

94004

Walk safer with **Non Skids** placed under the soles of your shoes...

Helps prevent slipping and sliding on wet, crunchy, leaves scattered on the ground and wet pavement.

Reduce slipping!

CETTE DUBLIN CLASSIC PANTYHOSE

73712

Create a fall outfit by wearing colorful classy pantyhose in autumn colors such as caramel, clementine, blue-black, aubergine and more.

Cette's Dublin style opaque pantyhose are made in Belgium and crafted of satin lycra with a multifiber, cotton gusset and all-through flat seams.

CETTE SMART DRESS

53912

Still struggling to lose those extra pounds from that summer vacation and still unable to fit into your favorite dress?

The **Smart Dress** is the SOS solution to still feel sexy in your form fitting dress. It's a seamless shaping dress with adjustable straps, that flattens the tummy, reduces fat rolls from thighs to rib cage and lifts the bottom up while allowing you to wear your own bra.

TALK TO THE HEEL CUFF'EM & STUFF'EM

4403

Easily stuff your pant legs into a high boot with **Cuff'em & Stuff'em** leg straps.

A perfect way to keep pant legs down without riding and bunching up when stretching to save your umbrella from the gusty winds and rain. Also, works great when bending, climbing, and sitting.

TALK TO THE HEEL BOHO CUFFS

9460

Autumn is all about using light layers for added warmth... why not add a few layers for a touch of feminine whimsy?

Luxurious lace **Bobo Cuffs** peeking out of your boots offer a whimsical sexy layer to any autumn ensemble.
