

BRAZA WEAR BRIEFLY

— DRESSING UP IN STYLE 2016 —

ALL DRESSED UP WITH GOOD TASTE & STYLE

Every woman wants to dress with a sense of style and in good taste, opting to style their fashions according to the trending colors of the season. This is true in clothing, accessories, and footwear.

A "sense of style" is what one creates in themselves. Keeping your style fresh is simple – change it up every day with new accessories for a different look, whether going to work – an evening out, or invited to a party.

This issue is all about dressing up and expressing your personal flair through *what you wear*, adding **fashion solutions** to feel more comfortable, classy, glamorous, sophisticated and of course, to feel more sexy...

Notes from the Editor

THE SCARF

A scarf adds the finishing touch to any outfit, and a great way to make a fashion statement while expressing one's individual style.

A scarf can stand out and bring a touch or blast of color to any stylish outfit. For example – wear all black and add a pop of color.....

EDITOR'S PICK

BRAZA CUPS 'N LACE

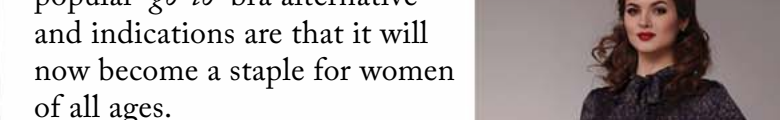

3505

Always feeling uncomfortable and caged in, in your underwire bra? Not anymore girls, your relationship with the caged bra is over....

Toss that bra and get ready to wear the **Cups 'N Lace** bralette. **Cups 'N Lace** is comfy and soft with no irritating underwires. Wear it with a T-shirt, long shirt, tight fitted blouse; a dress... the options are endless.

The bralette has become the popular "go-to" bra alternative and indications are that it will now become a staple for women of all ages.

DAVINA'S FASHION NOTES

Spicy Yellow Trend

This season celebrities are obsessed with adding spicy yellow hues paired with blacks and browns to their fashion styles.

Freshen up your wardrobe with spicy yellow, it works great for business, casual or sexy styles.

If celebs love it – you may, too!
