

BRAZA WEAR BRIEFLY

SUMMER PREPARATION 2016

Getting Ready For Summer

It's the time of year that most every woman wants to look and feel sexy... on a sandy beach, at the pool or out sailing.

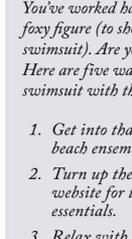

In this issue, we discuss many problem solving summer essentials that enhance those curves by adding lift, fullness, cleavage and shaping.

Help your clients show off their sexy side this summer.

No more hiding that "problematic" swimsuit and other abbreviated clothing in the closet!

Your friends at Braza...

Notes from the Editor

ROCK YOUR SUIT

You've worked hard at winters end on your foxy figure (to show off that favorite or new swimsuit). Are you unable to get to the beach? Here are five ways to lift your spirits, rock your swimsuit with the beach no where to be found.

1. Get into that special swimsuit or beach ensemble.
2. Turn up the tunes, and surf Braza's website for the latest in Swimwear essentials.
3. Relax with a bloody Mary, a striped beach chair, a good magazine, and let your imagination transport you to the beach or poolside.
4. Strut your stuff - have your own Baywatch fashion show. Take some selfies!
5. Boost your spirits - perhaps another bloody Mary?

What type of Braza Swim Shaper enhancement pad describes your swimsuit, cocktail style?

1. Orange Crush - round to add fullness

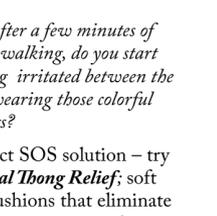

2. Strawberry Tequila - triangle shaped to add push up and a full cup size

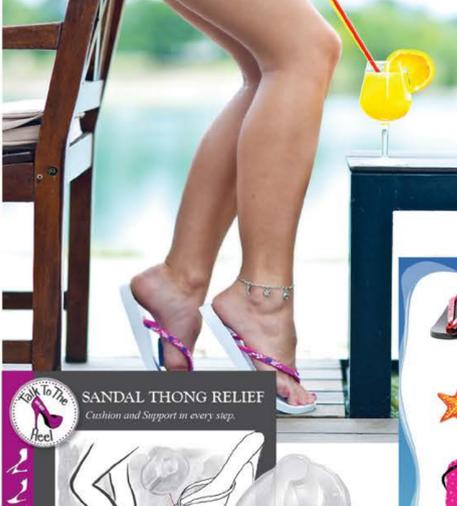

3. Lemon Drop Martini - to add sexy lift and cleavage

4. Melon Smoothie - to add a lift and fullness
