## EDITOR'S PICK

LAGUNA BEACH

ACAPULCO

#### CETTE LAGUNA BEACH 75712

Your legs will be very happy with our *Cette* brand, Belgium made legwear (one of Europe's finest).

Once you've tried *Cette*, you'll be hooked by the look, quality and comfort. *And they last!*

Here are a few of my "go-to" favorites for Spring and Summer.

**Laguna Beach:** Very thin, open toe pantyhose with small loops (very cool) around the big and small toes (keeps tights in place). Perfect for open shoes or sandals. All through cotton gusset, moisturizing (Aloe Vera) in the new Sidera yarn for exceptional transparency and comfort.

**Acapulco:** Fine pantyhose knitted with Lycra, sheer to waist, satin, flat seams, cotton gusset and reinforced toes. *Very sexy.*

#### TALK TO THE HEEL INSOLE CUSHIONS 94003

And now, for foot comfort... place our *Talk To The Heel* insole cushions in your shoes to reduce friction and impact in every step...walking becomes a breeze.

## EXERCISE CASUAL

#### BRAZA PETAL TOPS® -DISPOSABLE 1140

Sweating it out at the gym? Perfect opportunity for our disposable *Petal Tops*, made of a stretchy thin edge material that keeps you comfortable and confident, avoids showing too much definition, absorbs moisture and, the best part... just toss when done!

*Petal Tops* also prevent irritation from your workout outfit rubbing continuously on your breasts.

Have no 'sweating' fear... *Petal Tops* are here!

## BEST SELLERS

### BUSINESS CASUAL

#### BRAZA CAMI LACE™ 5001

If you work in an office with plans to "let loose" after hours, *Cami Lace* is the answer... **Problem Solved!**®

You can wear a blouse or dress with drop dead cleavage, and when the work day is over, adjust the *Cami Lace* for a more casual and sexier look.

Simply tie the *Cami Lace* to your bra as shown, and if you're on the dance floor... just take it off!

#### SET 1 OR SET 2...

Before going to work, which set of accessories would you add to your business outfit to start the day? (Set 1 or Set 2?)

### FUNKY CASUAL

#### BRAZA ON THE EDGE™ - SHOULDER PADS 2103

Feel "funky fashionable" with our shoulder pads that 'stick on' for a wider and more athletic silhouette.

No to worry ladies, these shoulder pads will not slide off your shoulders; they stick on and stay in place until you're parted out. *Reusable, of course!*

#### BRAZA CAMEL-NOT® 3022

Perfect to prevent (embarrassing) camel toe when wearing tight fitting jeans or pants.

It's a comfortable thin, contoured insert that attaches to your clothing using double-sided tape (included).

Rock on!
