Silicone gel petals with paper thin edges. Body heat activates just the right amount of ‘tack’ to keep petals comfortably in place without adhesive. Reusable – just wash and reuse over and over. Compact storage case included.

THE WORLD’S FIRST AND ONLY CLEAR BRA EXTENDER.
Since bras come in many fashion colors and printed designs, it’s impractical to make extenders to match them all. Even beige is difficult to match!

Our Clear Bra Extender is super thin, extremely comfortable, soft, pliable, hypo-allergenic and free of metal parts.
Four position extenders add up to 3 inches to the bra’s back band.

ONLY CLEAR EXTENDERS ARE TRULY INVISIBLE UNDER SEMI TRANSPARENT CLOTHING.
**Magicups**

Magicups provide shaping and support similar to a traditional strapless bra, but without a back band. They're perfect for wearing backless and sideless clothing when shaping is as important as support. Double-sided tapes adhere to the bottom for comfortable and reliable support, and extra tapes are included for reuse. A 'must have' basic.

Reusable nipple covers are comfortable, convenient and economical. Can be used 10 times or more.

What makes Silky Sac different? Most washer bags have either an open mesh or use rough yarns. Instead of ‘protecting’ delicate items, they act like a ‘grate’ and actually cause pilling and can snag loosely woven and knitted items, elastics and spandex. Silky Sac is made with a diamond design weave and slippery yarn that prevents pilling and snagging.

Since the sacs are 3-dimensional, they hold more and allow water and soap to flow freely. Also perfect for organizing personal items at home and on the road.
Women enjoy the care-free option of “wear and toss” – Most disposable nipple covers are made of a rigid material that doesn’t mold to bust shape or meet our standards for safety, comfort and reliability. Braza’s nipple covers are knitted and stretch to conform to breast shape (no wrinkling or tell-tale edges).

Braza’s fabric covered Shapers provide fullness, lift, cleavage and shaping… just where needed most. Place in bra or sew into dress or swimwear.

The “wider shoulder” silhouette is now popular. Our shoulder pads securely ‘stick on’ the end of the shoulder, creating a wider silhouette without adding height. It’s a big hit and one of a kind! Sophisticated – fashionable and can be used with any dress or blouse.

Reuse up to 50 times.
Modesty and sophistication have never looked so good, so easily!

Wear that favorite low cut blouse or jacket without a camisole. Beautifully embroidered gossamer sheer polyester georgette fabric.

Simply tie Cami Lace to any bra straps for an instant camisole look. Move up or down for more or less coverage.
